

AMENDED IN ASSEMBLY APRIL 10, 2014

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 2376

Introduced by Assembly Member Weber

February 21, 2014

An act to amend Section 11007 of the Government Code, relating to state construction projects.

LEGISLATIVE COUNSEL'S DIGEST

AB 2376, as amended, Weber. State construction projects: insurance.

Existing law generally prohibits property belonging to the state from being insured against risk of damage or destruction by fire, with specified exceptions.

Existing law, notwithstanding this general prohibition, authorizes the Director of General Services to establish a master builders' risk insurance program for all state construction projects during construction. Existing law requires a deductible from a contractor of at least \$25,000 for a master policy issued under the master builders' risk insurance program.

This bill would instead require the contractor's deductible under a master policy to be ~~at least \$10,000~~; *outlined in the request for bids or proposals*.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:
